

# Yes I Believe You

By Nicolas Tchamegni

G C G  
You tell me about this new Age  
D D7 G  
How thrilling the world ought to be  
G G7 C Am  
You tell me that mankind is one family  
D D7 G  
And that there is a way to world peace

CHORUS:

G D D7 G  
Yes I believe you, yes I believe you  
G G7 C Am  
Yes I believe you, I believe you  
D D7 G  
I believe you with all my heart

You talk of a new race of men  
People who have all their trust in God  
Men and women who are doing their best  
To bring divine unity to all

CHORUS

You say that the Glory of God  
Over a hundred years ago  
Came to fulfill all God's promises to man  
And usher in a new golden Age

CHORUS
