E D E D  
There's a new wind blowin'

E D E D  
Across the sea

E D E D  
There's a new wind blowin'

E D E D  
A callin' me

G E G E  
It's a new way for a new Day

G E  
Gonna set all men free

A B  
It makes you strong as a mountain

A B  
You move like the sea

A B  
With wings like a bird flying

A D B  
Through eternity

CHORUS

It sings of love and one world  
And one mankind  
With no more war we will  
All have peace of mind
